

Hossein Falahyar

Position: Senior Claims Handler, Marine Hull Claims

Hossein Falahyar has been with RSA/Codan for 10 years as a Senior Claims Handler.

Having worked in the Maritime Industry for 20 years both as Marine Engineer and as a Master Mariner in the Danish merchant fleet he can draw on his extensive practical experience when finding the best solution for our customers during a Claim's situation.

Besides from his carrier at sea, Hossein has also had several managerial positions with shipowners, and therefore has good insight into our customers business needs including insurance needs.

From Sep 2019, Hossein will alongside his Claims Handling position take a Master of Law at University of SDU on part time basis. This will strengthen his legal abilities and improve his service to our customers in case of legal issues arising.
