

CODAN

Mikkel Andersen

Position: Nordic Marine
Risk Manager

Our Risk Manager Mikkel Andersen has been with Codan since 2010 working out of Copenhagen.

Drawing upon decades of experience gained across the marine industry and updated education he has an advanced insight and understanding of your risk and challenges.

For you, this means Mikkel can support your business by providing analytics, facilitating progressive safety sessions, office assessments and conducting forensic investigations.

Based in Copenhagen, Mikkel supports our Nordic Region and can meet with you regularly, providing face to face responsive support.

Experience within sector (including positions held), with specific attention paid to the Client	Working within different fields in the maritime industry for three decades, I have gathered knowledge, insight and experience which I apply in every day work. I am especially passionate about our own and client's perception of safety and risk which I constantly challenge. I strive in a progressive environment and interacting with clients and crews when conducting assessment or at officer seminar, I find rewarding. Further, I head our analytic and investigation work supporting us understanding our client's challenges.
