

# CODAN

**Stina Soeholm**

**Position:** Area Manager  
DK, Marine Hull UW

Stina has been with Codan since 2006 and heading the Marine Underwriting department since 2016 working in our Danish office in various roles and for the past 3 years heading the Danish Underwriting Department.

Drawing upon her experience gained across Underwriting and Claims as well as in her former role as Insurance Manager for a major Danish shipowner, she will have a good understanding of your Insurance programme.

For you, this means that Stina has a thorough understanding of the insurance needs of a shipping company and will ensure that a proactive approach is applied to ensure, that your needs are being consistently well managed.

Based in Copenhagen she will be able to offer immediate local support to you and can meet with you and your team providing face to face responsive support.

Information Required	Response:
<b>Name</b>	Stina Soeholm
<b>Role</b>	Area Manager DK, Marine Hull UW
<b>Duration of Employment with Codan</b>	Since 2016
<b>Duration of Employment within relevant field</b>	16- Area Manager Underwriting Marine Hull. Codan 11-15 Insurance Manager, Torm 08-11 Marine Hull Underwriting, Codan 07-08 Liability claims handler, Codan 04-06 Danish Maritime authority
<b>Experience within sector (including positions held), with specific attention paid to the Client</b>	Since graduating from the University, I have been working within insurance primarily within Marine Insurance. I have worked both on the Claims and Underwriting side and have been Area Manager in DK since 2016. Prior to that I have been working for a major Danish Shipowner for 5 years and therefore have a thorough understanding of the needs and demands from a client perspective.
<b>Educational Background</b>	I have a master in Law from 2006 and during my studies I have been working for the Danish Maritime Authorities. In June 2010 I graduated from the Cefor - Nordic Marine Insurance Education Programme. Last I also have various different insurance related courses from Bimco and Cefor.
<b>What you will be doing for the Client</b>	Ensure our clients are given the right solutions and are supported in making the best insurance decisions. Make sure we understand our client's business and make insurance easy.
